An incorrect version of Fig. 4(a) appears on-line. The corrected version of Fig. 4 appears below. Note that the conclusions are not affected by this error.

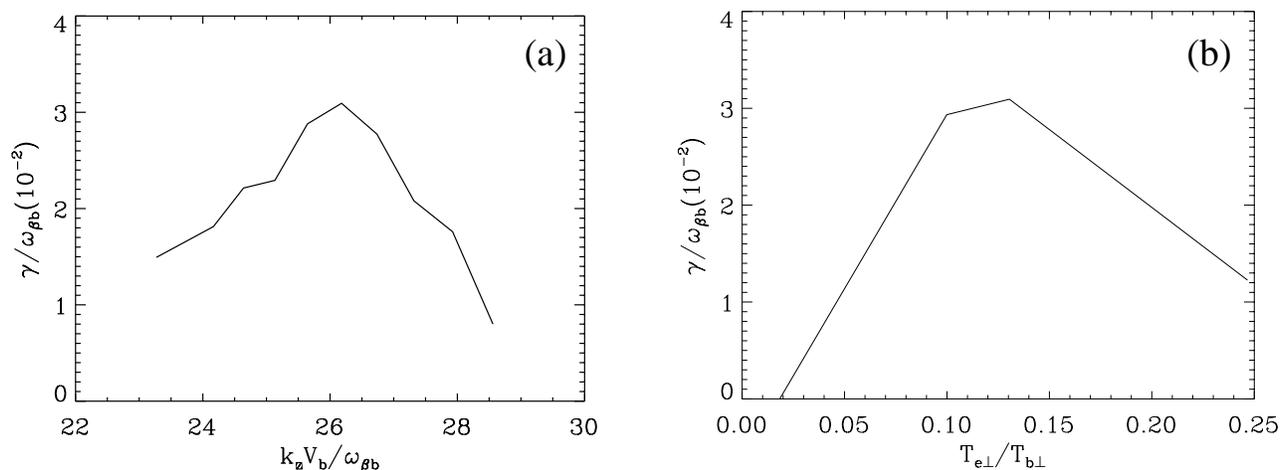

FIG. 4. Plots of the linear growth rate  $\gamma = \text{Im}\omega$ , including (a)  $\gamma/\omega_{\beta b}$  versus  $k_z V_b/\omega_{\beta b}$  and (b)  $\gamma/\omega_{\beta b}$  versus  $T_{e\perp}/T_{b\perp}$ .
